The Honorable Jay Nixon  
Governor of Missouri  
State Capitol, Room 216  
Jefferson City, Missouri 65101

Dear Governor Nixon:

Thank you for your help and support on fixing the problems that are present in Proposition B. We are thankful that you have chosen to stand with Missouri's farmers and agriculture interests.

As we work to pass legislation to both reform the dog breeding industry while protecting it as a viable profession for Missourians, we call on you to sign SB 113 & 95. This legislation still represents the best hope to repair the damage Proposition B has done to the dog breeding industry and Missouri agriculture.

If SB 113 & 95 is vetoed, the agriculture community in Missouri will have taken a serious setback, and our efforts to pass new legislation would be heavily compromised. We call on you to sign SB 113 & 95 because this legislation is a key to protecting the future of Missouri agriculture.

Sincerely,
